

smart space™

SmartSpace
is smart cookware
that fits even the most
compact stoves.

**Round pots waste a
large portion of any
cooking surface. This
can be particularly
frustrating in cramped
apartment, boat and
RV kitchens.**

**SmartSpace
cookware makes
smart use of your cook
top.**

SmartSpace cookware not only saves space on the cook top, it also saves space in your cupboards!

SmartSpace was designed to stack. Each pot stacks neatly inside the next. The revolutionary handle is removed and stored at the click of a button.

SmartSpace can also be used to store food in your fridge. The clever steam venting system doubles as a seal for storing.
